third annual convention of the National Federation of Business and Professional Women's Clubs to-day.

Miss Gail Laughlin, attorney, of San Francisco, and former president of the Federation, said that no notification of action toward incorporating the organization, which was completed to-day, was given to the membership thirty days previous to the convention. The organization was incorporated under the laws of the State of New York on July 19.

Conditions in industry should be

on July 19.

Conditions in industry should be changed so as to make them fit for women workers rather than prohibiting the women on account of the conditions

the women on account of the conditions was the basis of a talk made by Miss Mary VanKleeck of the Russell Sage Foundation, New York.

"Not through protective legislation but through organiation along the lines of the labor unions should we make the condition of industry fit for women workers," declared Miss Elinor Byrns, New York, who with Miss VanKleeck introduced a discussion of protective legislation in industry.
